The concept of alumni meet evolved for needs from both the ends i.e., academicians and professionals, in the aim of building the bridge between college life and career life.

Alumni meet was organized by the Department of Mathematics on Sunday 6th March 2022 at 10.00am. To save the traveling time of each of the members, we have conducted it virtually on Google Meet platform. About 30 alumni attended the same and gave their inputs.

Agenda:

2. Employment Assistance (Placement)
3. Collaborative activities (Dept. & alumni, Dept. & Employer, etc.)
4. Involvement of Alumni in the expansion of the department.
5. Donations to needy students & college funds

Very healthy discussion was held on above points.

In context with curricula, alumni suggested conducting more skill-based courses, involving R programming, Python, statistics into the syllabus and conducting practical's using programming.

Dr. Dhanorkar G.A. Head of the department, appeal to the alumni for placement assistance for current and pass out students as well as to raise funds to alumni association of college.
