Feedback Committee 2022-2023
Action Taken Report

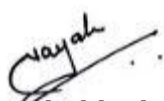

The institution seek out feedback on curriculum aspects and courses from various stakeholders including students, alumni, employers, and peer teachers. The necessary actions were taken once the feedback was analyzed and valuable suggestions were made.

Sr. No.	Suggestions	Action Taken
1	Students are asking about the course as per the local need.	Institute has started BBA in Logistics and Supply Chain Management undergraduate program.
2	Latest developments and advances should be known to the students.	More than 50 seminars, webinars, workshop, training were organized to students. This helped them to interact with the resource persons and were motivated to do higher studies.
3	Counselling and the need for career guidance is needed.	The Institute organizes counselling as well as soft skill trainings for students which will be useful for placement and higher studies.
4	Availability of E-learning resources.	Institute has provided E-learning resources on library portal (online) as well as on institutes website.

Thus, the stakeholder's feedback was analyzed, and appropriate action was taken to meet their expectations. The Board of Studies (BoS) meets twice a year in each department. Stakeholder feedback was presented to the committee for consideration, and the recommendations were implemented. This also assisted us in improving our curriculum in accordance with the expectations of the stakeholders.
