## Report on First aid Training Certificate Program

**Title: "First aid Training Certificate Program" Date: 15.11.2025**

**Time: 09.00am-5.00pm**

**Preamble:** Health and Wellness committee of the Karmaveer Bhaurao Patil College, Vashi, Navi Mumbai has organized **First aid Training Certificate Program** for our KBP College Teachers in collaboration with **Navi Mumbai Doctors Foundation and in association with Life line Institute of First aid and Emergency Medicine on 15<sup>th</sup> November 2025**

**Participant's Details:** 30 Junior and Senior College Teachers have participated & got **Government of Maharashtra certificate as First aider.**

### **Description about the Program:**

The Health and Wellness Committee of KBP College successfully organized a First Aid Certificate Training Program on 15th November 2025, receiving an enthusiastic response from the teaching staff. A total of 30 teachers actively participated in the full-day training, which focused on essential first aid skills, emergency response techniques, and life-saving interventions.

The program was conducted in association with the **Navi Mumbai Doctors Foundation** and the **Lifeline Institute of First Aid and Emergency Medicine, approved by DISH**. Certified trainers facilitated the sessions, and all participants were awarded the Government-approved First Aider Certificate, valid for three years. This certification significantly enhances the college's preparedness to respond effectively to medical emergencies on campus.

The event was organized under the guidance and continuous support of the **Hon'ble Principal Prof. Shubhada Nayak and the Vice Principal of the Junior College Mr. Varkad**. Their encouragement played a vital role in the successful execution of this important health awareness initiative. **The Chairman of the Health and Wellness Committee Dr. Ashwini Pande** welcomed the guests and highlighted the importance of first aid training for KBP teachers, promoting a strong culture of safety and well-being among the staff.

The training concluded on a positive note, with teachers appreciating the practical demonstrations,

hands-on activities, and the overall relevance of the program in strengthening emergency readiness within the institution. The Vote of Thanks Proposed by **Ms. Tazeen** and the whole event was flawlessly managed by **Mrs. Rujuta Vaidya**

### **Objective:**

The primary objective of organizing the First Aid Training Certificate Program for teachers is to equip them with essential knowledge and practical skills required to respond effectively during medical emergencies within the school or college environment.

The program aims to:

- ❖ Develop the ability to identify and manage common injuries and emergency situations.
- ❖ Empower teachers to administer immediate and appropriate first aid until professional medical help arrives.
- ❖ Enhance safety preparedness on campus and promote a culture of health awareness among staff and students.
- ❖ Build confidence in handling critical situations such as bleeding, fractures, burns, choking, CPR, and other life-threatening conditions.

Ensure compliance with safety and health protocols recommended by regulatory bodies.

This program ultimately seeks to create a safer and more responsive educational environment by preparing teachers as first responders in emergency situations.

**Mode of Activity (Online/Offline) : Offline**
