Subject: UGC Regulations on Curbing the Menace of Ragging in Higher Educational Institutions, 2009 - reg.

Dear Sir/Madam,

As you are aware the University Grants Commission has notified "UGC Regulations on curbing the menace of ragging in higher educational institutions, 2009" in order to prohibit, prevent and eliminate the scourge of ragging. These Regulations are mandatory and all institutions are required to take necessary steps for its implementation in toto, including the monitoring mechanisms as per provisions in the Regulations and ensure its strict compliance. Any violation of these Regulations will be viewed seriously. Any institution fails to take adequate steps to prevent ragging or does not act in accordance with these Regulations or fails to punish perpetrators of incidents of ragging suitably, will attract punitive action under the UGC Act.

In this regard, please find enclosed herewith copy of a letter from the Secretary, UGC which is self-explanatory in the matter. As multiple mechanisms are required to ensure a ragging-free campus, some recommendations and action steps which are required to be deployed in your esteemed institution are mentioned in the referred letter. You are requested to take all necessary steps for the implementation and strict compliance of Regulations/recommendations and action steps provided in the enclosed letter.

With regards,

Yours sincerely
