

## **Objective of the Committee**

To promote sports activities among students in college and to provide them platform and facilities to explore their sport activities and talent

## **Scope & Function of Committee**

- Planning of activities to promote sports in college in order to get state level recognition to our sportspersons (Students)
- Locate potential and talented students with outstanding sports records and promote their games
- Incentives in terms of prizes, cash awards, sport dresses/suits can be given to deserving candidates
- Prepare a common policy [Consider Art Circle] for University/State/ National/ International Achievements or Awards
- Development and maintenance of outdoor and indoor sports facilities in college and monitoring its optimum use
- Conduct annual sports competitions and annual sports prize distribution function
- Conduct zonal level competitions of any one game of University of Mumbai
- Prepare an annual report and maintain all supporting documents.

The committee always encourage students for participating in sports by organizing various sports, other related events and the participation of students in the extra murals etc. with the help of experts in the field. As per the requirements the committee proposes development and maintenance of sports infrastructure on the campus to the concerned section of the institute.

The Gymkhana committee makes all efforts to popularize and introduce new sports on campus as well. The sports nutrition, physical fitness, sports injuries management, career counseling in sports and sports specific skill development programs are held on need basis in groups and individuals. In this direction sports festival & Sports Awareness Programs, programs for the otherwise abled, Inter Institutional and friendly competitions are mooted and organized periodically to give a boost to the institution sports and games. Besides worthy use of leisure time and physical and mental fitness, sports and games activities are planned to give joyful experience to students and sports leadership qualities. Faculty, staff and their families are also accommodated in sports wherever it is possible

The sports programs are run under the prevailing rules and norms of University of Mumbai.

At the end of the season the Annual Sports felicitation and prize distribution is held on occasion of “Karmaveer Jayanti week” celebration of birthday anniversary founder of Rayat Shikshan Sanstha Padmabhushan Karmaveer Bhaurao Patil and the prizes are distributed to the achievers and outstanding performer in various games & sports at various levels in the year. Sports luminary is invited for prize distribution along with dignitaries of the institutes.
