

# Department of Commerce & Accountancy

## Annual Report for the year 2020-21

The Department of Commerce & Accountancy has been a major section of College. Right from the beginning senior and reputed teachers are associated with the Department. The department has maintained a good combination of faculty of academicians and professionals. This has helped a great deal in effective implementation of the teaching program. The department takes initiatives for overall development of students and give them practical orientation to inculcate employability skills which will help them to face this competitive world. The department activities conducted are focused on imparting technical knowledge along its application in the practical world. Simultaneously personality development of students is also given priority. Due to the pandemic the year activities as well as teaching learning activities were online. Department adapted the virtual mode as well implemented various teaching learning tools to create interest in the minds of students remotely.

### **The activities & achievements of our department are as under:**
