An Autonomous Institute under MHRD,

Govt. of India.

The National Institute of Technology Manipur, Imphal

cordially requests the pleasure of your kind

participation on Three day National Workshop cum

Training Programme on “Information

marketing for Transformation of

Traditional library user to Electronic

Library user in Digital Era”

”sponsored by “National Institute of Technology
Manipur”, on 16th to 18th May, 2016

There has been enormous and ever increasing growth of information / knowledge in the modern complex society and each subject area is flooded with relevant literature. Subsequently new academic disciplines with specialization on specific subject matter are being developed or emerged. There has also been an increasing size of user’s population in every fields and their demand of services. Indeed, the method of Traditional access/ Manual access of information could not cope with the changing scenario. A very important step which each Institution must adopt to provide readers access their desired information without losing their time is to provide e Learning Facilities & Availability e Resources in their Institution.
