 - i. In making the change of branch, those applicants shall be first considered who have secured a rank within top 1% (one percent), rounded to the nearest integer, amongst all the first year students in terms of the CGPA scored at the end of the second (spring) Semester. Change of branch requested by such applicants shall be made without any constraint.
 - ii. The remaining applicants may be allowed a change of branch, strictly in order of inter- se- merit, subject to the limitation that the actual number of students in the third (Autumn) Semester, in the branch to which the transfer is to be made, does not exceed 110% of the sanctioned yearly intake for that Branch.
 - iii. Also such change from any branch is to be made keeping in view that the total strength of the branch does not fall below 90% of the exiting/sanctioned yearly intake for that branch. The sanctioned yearly intake of a particular branch shall be the number sanctioned by the Senate as the intake for that branch for the particular year of entry of the applicants. To compute the total number of students in the first year, sum of the sanctioned yearly intake of all the branches will be taken.

For the purpose of calculating the actual number of students in a particular branch, the number of students joining the branch under Clause 6(i) is to be included.

7. All changes of branch made in accordance with the above rules will be effective from the Third (Autumn) Semester of the applicants concerned. No changes of branch shall be permitted here after.

In each such case the special reasons for which the transfer is permitted must be recorded in the Senate resolution. Such transfers, if any, will be over and above the regular transfers, and their number will not be counted in the computation of 'Actual Number of Students' in a given branch
