Notice (WhatsApp):

Jai hind

You'll have to make **ECO BRICKS** 5 each, as it is project based and contains hours too.

So, start collecting the plastic waste and start making eco bricks.

You'll have to submit it on 30th September ,2024.

Minutes of the Meeting: - Eco Brick Collection Drive.

There was an online meeting held on the Zoom Platform.

1st Meeting on 29th September ,2024.

- Volunteers were informed about the location of the Eco Brick Collection Drive.
- Volunteers were told the reporting time and given some basic information about the activity.
- Volunteers were also acknowledged for their contribution to environmental sustainability.

Report: Eco Brick Collection Drive.

Event: Eco Brick Collection Drive.

Date: 30th September ,2024 to 29th October ,2024.

Objectives: To promote environmental sustainability by encouraging the community to recycle plastic waste into eco-bricks, reducing pollution, and supporting eco-friendly construction initiatives.

Highlight: The NSS Unit of our college has organized Eco Brick Collection Drive. It aimed to promote environmental sustainability by encouraging the community to recycle plastic waste into eco-bricks. This initiative helped in reducing pollution and supporting eco-friendly construction practices. Volunteers actively participated in collecting non-biodegradable plastic waste, packing it into plastic bottles to create eco-bricks, and raising awareness about responsible waste management. The drive successfully engaged students and the community in adopting sustainable habits, contributing to a cleaner environment. Through this initiative, a significant number of eco-bricks were collected, reinforcing the importance of waste reduction and environmental responsibility. This initiative not only helped in reducing plastic waste but also inspired individuals to adopt eco-friendly habits in their daily lives. The event fostered a strong sense of environmental responsibility, teamwork, and community engagement. Students, faculty, and local residents enthusiastically contributed to the initiative, making it a collective effort toward a greener future.

Total Number of Volunteers- 42.

Total Eco Bricks Collected- 201.
