**Highlight:** The NSS unit of our college has organized Health Checkup Camp at College for Housekeeping & Security Staff Under "Seva se Sikh". This camp aimed to extend support and care to those who play an essential role in maintaining our campus's cleanliness, safety, and overall functionality. The camp provided free health screenings, including blood pressure checks, blood sugar tests, general health assessments, and consultations with healthcare professionals. It was designed not only to offer health services but also to foster a culture of appreciation and respect. Through "Seva se Sikh," we were reminded of the importance of inclusivity and service to all members of our college community. The initiative reflects a broader commitment to creating a nurturing environment where every member of the college community is valued and cared for. Ultimately, this health checkup camp serves as a vital step in recognizing the contributions of housekeeping and security staff while empowering them to take charge of their health and well-being.
