**Report: Polio Immunization Training Session at L-Ward.**

**Event:** Polio Immunization Training Session at L-Ward.

**Date:** 3<sup>rd</sup> December, 2024.

**Objectives:** To equip participants with essential skills and knowledge for effective polio immunization and eradication efforts in L-Ward.

**Highlight:** The NSS Unit has participated in Polio Immunization Training Session at L-Ward, focusing on eradicating polio through community engagement. Volunteers actively participated in awareness drives, educating residents about the importance of polio vaccination. They conducted door-to-door visits, ensuring that children under five received immunization on time. Proper record-keeping was maintained to track vaccinated children and identify those who needed follow-ups. The team addressed community concerns, clarifying doubts and encouraging participation in the immunization program. Volunteers were trained in safe vaccine handling and hygiene protocols to ensure effective administration. The initiative strengthened public trust and motivated more families to vaccinate their children. The campaign also emphasized the role of preventive healthcare in disease eradication. Through their dedicated efforts, the NSS unit contributed significantly to the success of the polio immunization drive.
