Industrial Visit Report

Our Mumbai to Mahabaleshwar 3days trip started with a deluxe bus on 25th Jan'18 at 7:00 a.m from our college. The journey in bus was full of energy and enthusiasm by playing songs, dancing, and playing card games with a lot more fun. We reached Pune at around 1:00p.m and checked into the hotel Sadanand Regency, a 3star hotel with luxurious rooms, swimming pools and beautiful views from our hotel window rooms. After having our delicious lunch we proceeded for our Industrial visit to “Katraj Dairy” by dressing up in formals.

“Katraj Dairy” is a dairy located in the Pune Zilla. The Head Manager welcomed us and gave us brief information about the dairy and its products over the past years through a short film. We were then taken forward to witness the processing and packing process in real. After the wonderful visit to Dairy we were back to our hotel tired and our first day in Pune came to an end with a knowledgeable experience.

Our Second day of the trip started with a number of items been served in for breakfast. After completing our breakfast we checked out and left for Mahabaleshwar. Mahabaleshwar is a hill town in Western Ghats, apart from its strawberries, Mahabaleshwar is also known for its numerous rivers, magnificent cascades and majestic peaks. Since it was a holiday, the time to reach Mahabaleshwar was delayed. Our bus reached the hotel at 4:00 p.m. We checked into the hotel Park Plaza which had beautiful cottages with an inbuilt swimming pool. We all freshened up and then left for the sightseeing to the nearby Veena Lake. Veena Lake is the most popular tourist attractions in Mahabaleshwar surrounded with lush greenery. There we also enjoyed doing Row boating and Peddle boating. Apart from boating we had horse riding, funfair games and many more food stalls serving bhuttas, strawberries and carrots.

After the beautiful evening sightseeing besides the lake we came back to our hotel followed by delicious dinner. Post dinner we had our Bonfire Dj night where each one of us along with our teachers showed their dance moves on the best songs to make this night to remember.

As it was our last day in Mahabaleshwar we checked out after our breakfast and headed towards the “Mapro Garden”. Mapro garden is a garden park in the hill station of Panchgani close to Mahabaleshwar and is also well known for their strawberry produce. Mapro Garden is full of variety of items from strawberries where the actual packaging was shown to us and we were allowed for shopping. After shopping for our friends and family we had our lunch at a nearby restaurant.

Then we proceeded forward to experience the beautiful place of Table Land, the highest point in Panchgani. It offers an aerial top view of entire Panchgani and the valleys located nearby. We all clicked amazing photos while some went for horse ridings and others went to visit the underground cave. After which we all were set to return back home with lots of memories to

cherish for a lifetime. We reached our college late night at around 12:00a.m by making new friends and having a beautiful experience that can never be forgotten.
