**Minutes of the Meeting: -Training session on polio immunization at kurla**

**BMC Hospital**

There was an online meeting was held on the Zoom Platform.

**1<sup>st</sup> Meeting on 5<sup>th</sup> December ,2024.**

- Volunteers were acknowledged about the location.
- Volunteers were told reporting time and some basic information about the activity.
- Volunteers were also acknowledged about their dedication and support in raising awareness.

**Report: Training session on polio immunization at kurla BMC Hospital,**

**Event:** Training session on polio immunization at kurla BMC Hospital,

**Date:** 6<sup>th</sup> December ,2024.

**Objectives:** To enhance healthcare workers knowledge and skills in effectively administering polio vaccines.

**Highlight:** The **NSS Unit** of our college has participants in The training session on polio immunization at Kurla BMC Hospital focused on key aspects of effective vaccine administration and disease prevention. Highlights included an overview of polio, its transmission, and the importance of immunization in eradication efforts. Participants were trained on proper vaccine storage, cold chain management, and safe administration techniques. The session also covered strategies for identifying and reaching high-risk populations, handling vaccine refusals, and managing adverse events following immunization. Emphasis was placed on accurate data recording and reporting to ensure efficient monitoring and evaluation. Interactive discussions and hands-on demonstrations enhanced the learning experience, equipping healthcare workers with the necessary skills to improve polio immunization coverage. The training session on polio immunization at Kurla BMC Hospital was a comprehensive program aimed at strengthening healthcare workers' capacity in effective vaccine delivery. The session began with an introduction to polio, its causes, transmission, and the global and national efforts for eradication.

**Total Number of Volunteers – 21.**
