- Volunteers were also acknowledged about following safety protocols and giving polio drops carefully.

**Report: Pulse Polio Immunization Drive at Kurla Railway Station.**

**Event:** Pulse Polio Immunization Drive at Kurla Railway Station.

**Date:** 8<sup>th</sup> December, 2024 to 13<sup>th</sup> December, 2024.

**Objectives:** To ensure the immunization of children under five against polio by providing easy access to vaccination.

**Highlight:** The **NSS Unit** successfully conducted the Pulse Polio Immunization Drive at Kurla Railway Station, ensuring immunization for children in transit. Volunteers assisted healthcare workers in administering polio drops and managing vaccination booths. They actively engaged in spreading awareness among passengers and local vendors. Door-to-door awareness efforts were also carried out in nearby areas. Informational pamphlets were distributed to educate parents about polio prevention. The drive received a positive response, with many children immunized. Volunteers ensured smooth coordination and guided parents through the process. The high-footfall location helped maximize outreach and impact. The initiative contributed to polio eradication efforts. The drive concluded successfully, reinforcing the commitment to child health and community welfare.

**Total Number Of Volunteers – 19.**

Date	Feedback Received	Suggestions Provided
8 <sup>th</sup> December, 2024 to 13 <sup>th</sup> December, 2024.	<p>The feedback received was to appreciate the efforts of NSS volunteers in assisting healthcare workers and ensuring smooth immunization.</p> <p>Parents and commuters expressed gratitude for the initiative, highlighting its importance in protecting children from polio.</p>	<p>It includes increasing the number of vaccination booths for quicker access and setting up additional information counters for better awareness. This would help manage the high footfall more efficiently.</p>
