Report: Session on Digital Safety for Youth by Akshara Foundation.

Event: Session on Digital Safety for Youth by Akshara Foundation.

Date: 10th December, 2024.

Objectives: A digital safety session for youth empowers them to navigate the online world securely and responsibly.

Highlight: The **NSS unit** of our college the digital safety session highlights key topics such as understanding online risks like cyberbullying, scams, and identity theft, and learning practical cybersecurity tips like creating strong passwords and securing personal information. It emphasizes responsible online behavior, critical thinking to spot fake news, and the importance of mental health and digital balance. Legal awareness is discussed, along with tools like antivirus software and VPNs for added security. Interactive activities and Q&A sessions ensure engagement, helping youth gain the knowledge and skills to navigate the digital world safely. Experts provided insights into social media safety, identifying online scams, and the importance of strong passwords. The session also emphasized the role of parents and educators in guiding youth toward ethical digital citizenship. Interactive activities and real-life case studies helped participants develop critical thinking skills for navigating the digital world safely.

Total Number Of Volunteers- 10
