Report: Cyber Security Online Course (Skill India Digital Hub).

Event: Cyber Security Online Course (Skill India Digital Hub).

Date: 5th January, 2025.

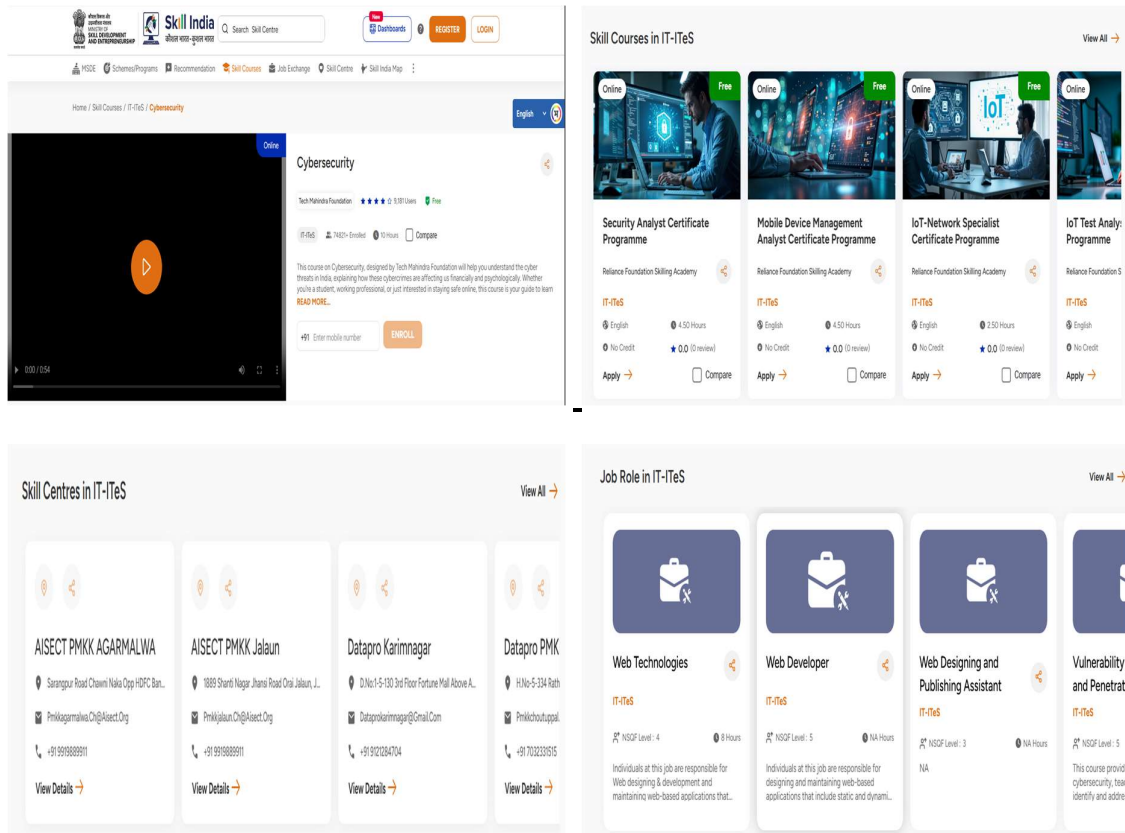

Objectives: To equip learners with essential skills to protect digital systems and information from cyber threats.

Highlight: The NSS unit of our college participated in Cyber Security Online Course (Skill India Digital Hub) to equip students with essential skills to combat digital threats. The course provided participants with a thorough understanding of cybersecurity concepts, from basic principles to advanced techniques. Volunteers actively participated in all lessons, quizzes, and assignments, ensuring they gained practical knowledge to secure digital systems. Regular engagement with the course material helped students stay updated on the latest cybersecurity trends and practices. The course emphasized the importance of ethical practices in the digital world, fostering responsible online behavior. Discussions and peer collaboration were encouraged to enhance learning and problem-solving skills. The course concluded with assessments that tested the learners' knowledge and application of cybersecurity measures. Participants were commended for their dedication and commitment to learning throughout the program. Overall, the initiative successfully enhanced students digital security awareness and preparedness.

Total Number Of Volunteers – 42.
