Report: Door to Door Leprosy Survey in BMC 'S' Ward.

Event: Door to Door Leprosy Survey in BMC 'S' Ward.

Date: 30th January, 2025 to 14th February, 2025.

Objectives: To conduct door-to-door surveys for early detection and awareness of leprosy cases.

Highlight: The NSS Unit successfully conducted Leprosy Survey BMC Day 1, focusing on early detection and awareness. Volunteers actively participated in training sessions led by health officials. They visited assigned areas to conduct door-to-door surveys and identify suspected leprosy cases. Public awareness was spread through informative discussions and pamphlet distribution. Volunteers engaged with residents, addressing misconceptions and encouraging timely medical checkups. Healthcare professionals guided them in recognizing early symptoms and referring cases for diagnosis. The team ensured proper documentation of survey findings for follow-up actions. Community members responded positively, showing willingness to cooperate and seek treatment. The activity strengthened volunteers' understanding of public health challenges. Their efforts contributed to reducing stigma and promoting leprosy eradication initiatives.

Total Number of Volunteers – 15.
