Report: Session on Cyber Security, substance Abuse and New law.

Event: Session on Cyber Security, substance Abuse and New law.

Date: 07th February, 2025.

Objectives: To educate participants about cyber security threats, responsible internet usage, substance abuse prevention, and the latest legal developments.

Highlight: The NSS Unit organizes the Session on Cyber Security, Substance Abuse, and New Laws was an eye-opening event that addressed critical issues affecting today's youth. The session started with a discussion on cyber security, where experts explained common cyber threats such as phishing, hacking, identity theft, and online fraud. Participants learned practical tips on safeguarding their personal information, using strong passwords, and recognizing scams. Live demonstrations showcased real-life cybercrime cases, emphasizing the importance of digital awareness. The session then transitioned to substance abuse awareness, where professionals highlighted the harmful effects of drugs, alcohol, and tobacco on physical and mental health. Real-life case studies and testimonials from former addicts made the discussion impactful, helping students understand the long-term consequences of addiction. The legal aspect of substance abuse was also covered, emphasizing the penalties for drug possession and distribution under the law. The final segment focused on recent legal reforms and their implications on everyday life.

Total Number of Volunteers – 72.
