

Report: Supporting Cancer Patients by Donating Hair at Azad Maidan.

Event: Supporting Cancer Patients by Donating Hair at Azad Maidan.

Date: 15th February ,2025.

Objectives: To spread awareness about cancer care and solidarity.

Highlight: The **NSS Unit** of our college has participated in Supporting Cancer Patients by donating Hair at Azad Maidan. This donation drive not only benefits patients but also spreads awareness about the importance of hair donation and encourages more people to contribute. The event brings people together to contribute selflessly, emphasizing the importance of compassion and solidarity. By donating hair, individuals make a direct impact on the lives of those battling cancer, offering them hope and encouragement. This initiative also promotes awareness about hair donation, inspiring more people to take part in such noble causes. It also provides an opportunity for volunteers, organizations, and medical professionals to come together and educate people about the process, eligibility criteria, and impact of hair donation. Every strand of donated hair carries a message of hope, strength, and love, making this initiative a life-changing experience for both donors and recipients. By participating, donors make a direct and heartfelt impact on the lives of cancer warriors, reminding them that they are not alone in their battle. Such initiatives help break the stigma associated with cancer and promote discussions around cancer care and patient well-being.
