Studio Plus Audio Editing Workshop.

Report

On the 9th of July 2021, Bunts Sanghas' S.M Shetty College's Department of Mass Media and Communication Skills organised a "Audio Editing Workshop" which was hosted by Studio Plus. The Workshop commenced with a few words of welcome by the Studio President Hrithika Prakash Shetty. In the presence of Prof. Kalpana Rai Menon (Coordinator), Prof. Neena Sharma, and Prof. Sharanya Sanoj.

Studio Awaaz Incharge Shara Sheikh offered the audience details about Studio Awaaz and discussed how audio editing could help the future podcasters.

The Resource person for this workshop was Chaitanya Lodha from TYBAMMC AD. Chaitanya led Studio Awaaz editing team in 2020-2021 and he is a video and audio editor. The workshop was based on Adobe Audition software. He began by covering the fundamentals of the software, important aspects, techniques and gave basic ideas about how it's used. He practically showed and explained how distorted audio with the help of tools can be a flawless podcast.

Afterwards a QnA was held. The attendees and faculty members present found the seminar to be both educational and entertaining.

This workshop provided an opportunity for all the participants who want to pursue editing to get started on the journey.

Later the workshop was concluded with a vote of thanks by the Studio Secretary Tanmay Gohil, appreciating everyone who participated and the team for smoothly executing the workshop.
