## Student Enrichment Activity Approval Form

**Department:** Learning Resource Center (Library)

**Program:** One Day National Conference on “Re-engineering Academic Libraries: Traditional to Smart”

**Objectives:**

- To bring together professionals, students and researchers in the field of library and information science from all over India to exchange views, perceptions, ideas and experiences.
- To share ideas about innovative practices in various aspects of academic libraries.
- To discuss techniques and technologies to transform traditional academic libraries into a modern library setup.
- To identify & discuss measures to improve readership in academic libraries.
- To identify the challenges in academic libraries and discuss means to face them.

**Need:** Information & communication technology has found its application in libraries too. As scuh libraries need to change their processes & methods to adapt to the new situation. This conference will provide a platform for professionals to share their experience & expertise.
