### **FIELD TRIP TO BOMBAY HIGH COURT**

Event: Bombay High Court Visit.

Date: 20th February 2024, Tuesday.

Timing: 07:30 am To 03:00 pm.

Venue: Bombay High Court

Scope: To observe the mannerism in which the court cases proceed.

Objectives: To understand what happens behind the scenes and the law that serves us justice

Highlights: The main motive of the visit to the high court was to understand what happens behind the scenes in court and law that serves us justice. We observed the mannerisms in which the court cases proceed. This led us to comprehend the vocabulary and procedures that are to be followed in the court.

The court is quite strict with the rules on how each person of the role is to behave to maintain a proper order through the hearing. We were able to catch a glimpse of all the supplies and props that are utilized in the court for the hearing and by the individuals involved. We then proceeded to the library and took a look at all the different types of books and documents stocked up.

### **FIELD TRIP TO VIDHAN SABHA**

On 18<sup>th</sup> October 2023, the Justice League, a dedicated law club, organized a visit to the Vidhan Sabha in Mumbai, Maharashtra. This visit aimed to provide our members with a practical understanding of the legislative process and the functioning of the state government.

The primary objective of the visit was to:

- Educate our members about the legislative process and the role of the Vidhan Sabha in the state's governance.
- Offer an opportunity to witness parliamentary proceedings first hand.
- Encourage civic engagement and a deeper understanding of the legal and political framework.

**Orientation:** The visit began with an informative orientation session by a legislative guide who provided an overview of the Vidhan Sabha's history, structure, and functioning.

**Plenary Session:** Our group had the privilege of attending a plenary session in progress. Members observed the debates, discussions, and decision-making processes related to various bills and issues of public interest. Witnessing the legislators in action was an enlightening experience.

**Interaction:** After the session, there was a brief interaction with one of the Members of the Legislative Assembly (MLA), who graciously answered questions and shared insights into their roles and responsibilities.

**Tour:** A guided tour of the Vidhan Sabha premises allowed us to explore the building's architecture, historic artifacts, and chambers used by the legislative members.

### **Key Takeaways:**

1. **Understanding the Legislative Process:** Members gained a comprehensive understanding of how laws are proposed, debated, and passed in the Vidhan Sabha, which is crucial for budding legal professionals.
2. **Civic Engagement:** Witnessing the democratic process in action encouraged our members to actively participate in the governance of their state and country.
3. **Real-World Application:** The visit provided practical insights into the legal and political concepts learned in our law club meetings and academic courses.

The visit to the Vidhan Sabha, Mumbai, organized by Justice League, was a valuable educational experience. It deepened our members' understanding of the legislative process, the role of the Vidhan Sabha in Maharashtra's governance, and the importance of active civic engagement. We are grateful for this opportunity, and we look forward to more such enriching experiences.

We extend our gratitude to the authorities at the Vidhan Sabha for their warm hospitality and support during our visit.

The objective of a moot court competition was to simulate a real court proceeding, allowing students to practice and improve their oral and written advocacy skills. During a moot court competition, teams of students present arguments before a panel of judges, who act as if they were presiding over an actual court case. The teams are typically given a set of facts and legal issues to analyze and argue, and they are expected to prepare written briefs and make oral arguments that address the legal questions presented.

Moot court competitions provided students with valuable experience in legal research, writing, and oral advocacy. By participating in a moot court competition, students were able to hone their legal reasoning and analytical skills, as well as their ability to present complex legal arguments in a clear and persuasive manner. Moot court competitions also offered students the opportunity to network with other students from different departments and colleges.

Experience of from P.O.V of a student

Participating in a moot court competition can be a challenging but rewarding experience for students. Students were typically given a complex legal problem to solve, and were required to conduct extensive legal research in order to prepare a written brief and oral argument. This process was time-consuming and demanding, but it also provided students with an opportunity to develop our legal research and writing skills.

Overall, participating in a moot court competition was a challenging but rewarding experience for us, and it can help prepare us for any career that requires effective and convincing communication.

### **STUDIO AWAAZ**

Studio Awaaz is a college-based podcast that covers a wide range of current events and other interesting or informative topics. Every second Thursday, a monthly podcast is posted on the BAMMC department's official Instagram account. The podcast includes a host and a speaker who discuss the topic before concluding with an outstanding song cover performed by a college student from any field. The speaker can be a college student, alumni or teacher. To make the podcast more inclusive, this year SYABMMC were divided into groups and told to produce one podcast episode per group. This was a project for their subject Electronic Media I. The incharge and Studio Awaaz's members helped and guided the students throughout the production process be it writing, recording or editing. This helped students to learn more by having a practical experience. The central theme this year was cross-cutting issues. And we successfully produced 10 episodes for this academic year.

## Report on Presentation Skills Workshop

On December 25th, Bunts Sangha's SM Shetty College of Science, Commerce, and Management Studies hosted a PowerPoint Presentation Workshop by Studio Plus, aiming to enhance students' presentation skills. Led by Deesha Shah, a seasoned SY BMMMC student, the workshop focused on mastering the art of effective presentations. To infuse fun into the learning experience, Studio Plus organized a theme day – 'Archies Retro Edition.' Vallery Mully, the anchor from FYBAMMC, warmly welcomed participants, setting a positive tone. A lively ramp walk featured students dressed as Archies characters, adding a creative touch to the event. The PowerPoint Presentation Workshop covered essential skills, including the use of pptx, the importance of the toolbar, and techniques for changing colour gradients and patterns on slides. Deesha Shah's guidance provided practical insights into crafting engaging presentations. A highlight of the day was the 'Best Dressed' competition, judged by a panel, with Mandar Soni and Anisha Rao earning the title. This fusion of learning and creativity made the event memorable. The workshop successfully concluded, leaving students equipped with improved presentation skills and fond memories of the Archies-themed day.

## **Report on Filmy Friday**

On Friday 08th December 2023, the Studio of Mass Media and Communication Skills Department of Bunts Sangha's S.M Shetty College of Science, Commerce and Management Studies, Powai organized a Filmy Friday. The event started at 10:30am when host for the event, Ms. Anisha Rao welcomed the staff, Studio volunteers and attendees. "Supermen of Malegaon" was the film shown. It is a 2012 Hindi documentary film written and directed by Faiza Ahmad Khan. The film showcases the resourcefulness in recreating Hollywood blockbusters on a tight budget, using everyday items and local talent. As Media students, many were touched by the sense of creativity and passion that Nasir Shaikh exhibited for filmmaking with low budget. The documentary was a comedic masterpiece and everyone had their fair share of laughs when 'Malegaon ka superman' was performing action sequences in the movie. The movie also showed that 'Malegaon' is a town which is fraught with communal tensions, poverty and hardship. To get away from all this, the residents of Malegaon take to making spoofs of Bollywood movies. It shows the beauty of moviemaking and how a film can unite people of all religions, communities and ages together. This fun-filled event concluded with a vote of thanks by Ms. Anisha Rao.

## **BRAND STORY - CASE STUDY PRESENTATION 2023-24**

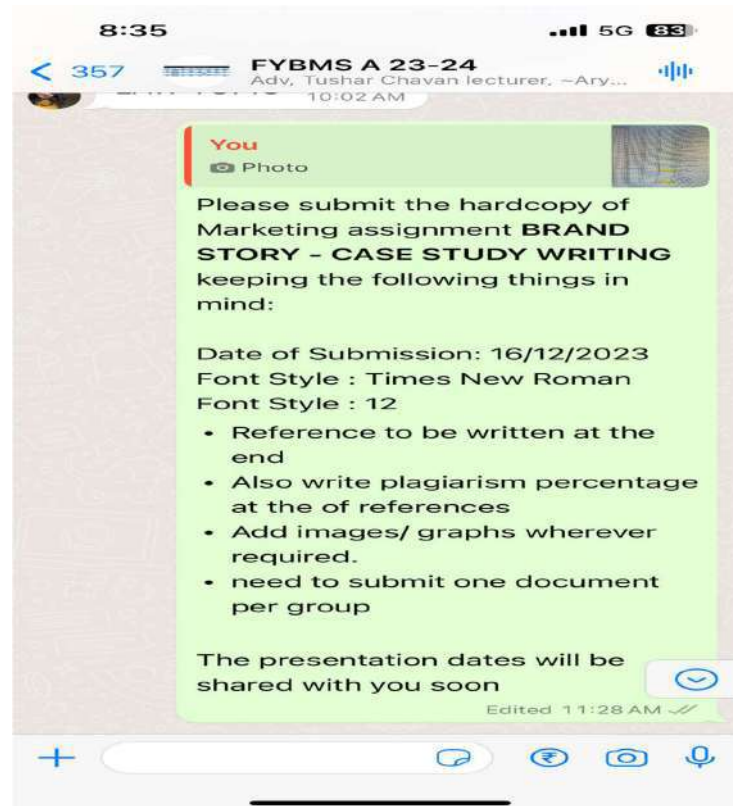

As a management studies student, it is important to learn lessons from real business cases which includes both success and failure stories and also the stories of revival with reasons behind them. This enables students to view a scenario from a manager's perspective and helps them to analyse the situations better and recommend workable solutions.

The BRAND STORY - CASE STUDY PRESENTATION was conducted as a compulsory activity for FYBMS students. In this activity the students chose a real case and learnt how to present it in a logical way. This activity preceded with a know show on Case Study Handling conducted by Ms. Nidhi Chandorkar.

The class was divided into groups. Each group after selecting the story prepared a case study which was submitted to the subject incharge of Principles of Marketing. They then presented their case to the class in an interactive way.

Each session of case presentation ended with discussion and remarks by the subject incharge.

The presentations were conducted on every saturday for both the division. The schedule was shared with the students well in advance.
