

7.3.1 - Institution Distinctiveness

Inclusiveness & Outreach

Aligning with its vision, the college ensures an inclusive environment to cater to all kinds of diversity and gives back to society through various community engagements.

1. Inclusive Educational Environment: Workshops , bridge courses, experiential learning help students from underprivileged backgrounds acquire much needed skills. Financial inclusion in the form of scholarships, book banks are available.
2. Facilities for Disabled Students: The college is committed to being disabled-friendly. It provides ramps, railings, wheelchair access, special restrooms, and other facilities to ensure a comfortable environment for students with physical and learning disabilities. The college has quotas for candidates with physical or learning disabilities and provides necessary provisions during examinations.
3. Cultural and social inclusions: The college organizes events and programs that promote inclusivity, such as gender rights awareness, sports days, and cultural festivals.
4. Safe Campus : The college has a dedicated Counselling Centre that provides mental health services to students, parents, and faculty. The centre focuses on creating a safe and healthy learning environment, addressing social-emotional needs, and supporting students with special needs. The campus is fitted with CCTV cameras and is staffed by male and female security personnel. The college also has a medical centre with a full time nurse.

The college actively engages in various outreach programs to support the community and promote social responsibility.

1. Community Engagement through events like gender rights awareness, sports days, and cultural festivals to promote inclusivity and community engagement, cleanliness drives, voter awareness, blood donation etc.
2. Environmental Initiatives like Vanmahotsav celebrations and other environmental initiatives in the college and in the community, to promote awareness about environmental conservation.
