Report

'Energy Transformation in Maharashtra' seminar, held on 9th December2023, aimed to understand and discuss a very important and need of hour development.

Resource person for the seminar was Dr.Kaushik Deb,Senior Research Scholar, Center on Global Energy Policy and School for International and Public Affairs.

The seminar on Energy Transformation in Maharashtra brought together industry experts, policymakers, and stakeholders to discuss and strategize the state's transition towards sustainable and resilient energy systems. Maharashtra, being an economic powerhouse, is facing increasing energy demands and challenges, necessitating a shift towards cleaner and more efficient energy sources.

Was new to this topic and this session helped in learning and exploring

Just on the record I had a wonderful time in the seminar. But when I first heard about the seminar I believe it was more focused on the energy transformation in Maharashtra as the name suggests, so I believe the points of discussion would revolve around the state policies and initiatives leading to a energy transformation, sadly that was not the case. Irrespective of that, I honestly enjoyed the points of the
