Report of the Counseling Center Orientation Session

Date: 8th August 2024

The counseling center orientation session for FYBCOM division A students was organized on 7th August 2024 at 9:30 am in their respective classes.

The session began with an overview of what stress is, its causes and its effects on both mental and physical health. The counselor, Ms. Aira Shetty explained how academic pressure, personal issues and the transition to college life can contribute to increased stress levels among students. She discussed simple and effective self-care practices such as maintaining a balanced diet, getting enough sleep, regular physical activity and setting aside time for hobbies and relaxation. She gave practical tips on how to shift from negative to positive thinking. The students raised concerns about their own experiences with stress and sought advice on handling specific situations.

The session concluded with a vote of thanks from the class teacher, Ms. Sharvari Shetty, who appreciated the counselor's efforts in addressing such important topics. Feedback was collected from the students, who found the session highly beneficial.
