To,
The Principal
Bunts Sangha's
S.M.Shetty College of Science,
Commerce & Management Studies
Powai-400076

We have been imparting Yoga Training for teachers and students of Bunts Sangha's S.M.Shetty College of Science, Commerce & Management Studies for the last one year. The feedback we have received from teachers and students is quite encouraging in this context. We are happy and prepared to extend Yoga Training to your college students and staff in the days to come. As per our discussion, we are willing to hold classes for your students from the beginning of academic year 2016 onwards.

We will also provide a certificate for those Teachers and Students who will complete the Yoga Course of 12 weeks. To carry forward this program and make the yoga session effective, Shri Ambika Yoga Kutir, Thane (W) will collaborate with Bunts Sangha's S.M.Shetty College of Science, Commerce & Management Studies, Powai.

Hope that this collaboration may produce better output in terms of reduced stress level, balanced mindset, better concentration and enhanced effectiveness.

With warm regards.

Thank you.

Yours faithfully,

Shri Ramchandra Raghunath Surve
Secretary
