#### **REPORT**

Place: Panchgani, Mahabaleshwar

Date: 17<sup>th</sup> February, 2025 to 19<sup>th</sup> February, 2025

Class: BCOM, BAF.

Number of Students:

96 Number of teachers:

5

Department of Accountancy and Financial Management organized an Industrial Trip for BCOM and BAF students to Panchgani, Mahabaleshwar. There were 96 students along with five teachers- In-Charge Principal CS Sandesha Shetty, BAF Coordinator- Asst. Prof. Sahana Raviprasad, Bcom Co Coordinator- Asst. Prof. John Menezes, Dr. Vijay Vishwakarma, and Asst. Prof. Sharvari Shetty.

The exciting three-day trip began with an early morning departure from Mumbai. The first stop during the journey was Pune. Upon arrival, Students visited the famous Katraj Milk Factory, an initiative of the Maharashtra government to supply quality dairy products across the state. At the factory, students witnessed the entire milk production process, from pasteurization to packaging. The factory guide explained the importance of hygiene, quality control, and the role of modern technology in dairy processing. The factory visit ended with some of their fresh dairy products, including lassi and ice cream. Following the factory visit, we had lunch at a local restaurant and then continued the journey to Panchgani.

The second day of the trip, on the 18th February 2025, was dedicated to exploring the breath-taking hill stations of Panchgani and Mahabaleshwar, known for its mesmerizing view of the deep valleys and lush green hills. Students also explored Venna Lake, where some of them enjoyed a peaceful boat ride while others relaxed by the lake.

On the Final Day, 19th February 2025, they started their day with a visit to Table Land. Students enjoyed horse riding, some walked into the caves and others enjoyed the cool breeze and picturesque scenery that made it a perfect spot for photography.

A highlight of our visit was the Mapro Garden, famous for its strawberry farms and delicious fruit-based products. We indulged in fresh strawberry cream, jams, and juices while learning about the cultivation and processing of strawberries and about the establishment of MAPRO itself. We reached Mumbai by evening, bringing our memorable three-day trip to a joyful conclusion.

The trip to Panchgani and Mahabaleshwar was an enriching experience, blending education, adventure, and relaxation. From understanding dairy production at Katraj Milk Factory, with practical exposure of Industrial and manufacturing processes to exploring the scenic beauty of the hill stations, every moment was filled with learning and enjoyment. This journey strengthened the bond as a group and left them with unforgettable memories.
