Photography Workshop

Written by: Shreyal Upadhyay

The Department of Mass Media and Communication Skills of Bunts Sangha's S.M. Shetty College of Science, Commerce, and Management Studies, Powai organized a Photography workshop on 20th August 2022. The workshop was held to teach the basics of Photography to the students.

The resource person for this event was none other than our Photography Prof. Mr Vaibhav Bansode, who is a highly proficient photographer from Zee Business.

He initiated the event by explaining the three basic elements of photography which is, the shutter, aperture, and the iso, simplistically and creatively.

Important rules of photography such as the rule of one-third, balancing elements and framing were demonstrated via ppt presentation. He taught the essential tips to get the perfect click like understanding light, and angle, clicking pictures in landscape form, and simply keeping a creative eye for an impeccable picture.

The workshop was followed by an on-the-spot photography competition for the students and therefore students were asked to bring their cameras if they had any. Prof. Vaibhav pointed out common mistakes in the photographs taken by all students who actively participated in the competition.

There were a total of 79 students present for the Photography Workshop, 42 male students and 36 female students. His enlightening and fun workshop photography was concluded by a vote of thanks from the anchor.
