The Department of Economics had organized a one day visit to RBI museum and Nehru Centre on 18th march 2023 for second year students of B.Com. The students were taken to RBI's office at CST along with two teachers Prof. Jay kadam and Dr. Liji Santosh and Prof. Avneet Kaur. The students reached the venue by 10:30 am and visited the monetary museum. The overall session was very interactive. Then the students proceeded with another session wherein they have witnessed functioning of the RBI. Later they watched a documentary on the evolution of currency in India. The students visited the RBI museum where they saw the currency in different form in India and various other forms of money used since ages in India. There were photos of Governors of RBI since 1937.

The students also learnt the various techniques of identifying the real currency which is in circulation. After that students approached to Nehru Centre where they got the exposure of art and came to know how the Indian civilization have created its impact on world since centuries.
