presents....

Y - TALK

A platform for you to talk and be heard

Due to the ongoing pandemic, we are not able to get the real 'College life' experience. Classes, fests, events held online can be overwhelming for both students and teachers. Online classes may also lead to stress, disturbance and a lot more. Some of you may agree and some may not !

Let us know your views and thoughts by registering here :

First Y-Talk for the Academic Session 2021-22

Written By: Kristy Fernandes

The BAMMC Department of Bunt Sangha's S.M Shetty College of Science, Commerce and Management Studies under The Studio organized its first Y-Talk for the academic session 2021-22 on 7th September, 2021. The topic for this session was "Online Education Causing Burnout For Students and Teachers." The session was conducted on Zoom Application.

The teachers present for the Y-talk were Prof. Kalpana Rai Menon, Prof. Neena Sharma and Prof. Sharanya Sanoj .The judge for the event was Mr. Ranajit Tendolkar. The host Ms. Ishika Shetty commenced the session by giving a welcome address and introducing the moderator of Y-Talk, Ms. Saisaranyya Menon. The panel consisted of Mr. Rathin Sawant, Mr. Aditya Tanna, Mr. Saad Ansari and Mr. Abhishek Dubey.

The first year students also joined this event . The panel discussion started with the moderator introducing the topic and panelists,the panelists also introduced themselves. The panelists kept forward their opinions and point of view on the topic. They covered the topic well including, concern about college going years which are said to be stepping stones for students, en route to real life/world with current students missing out on college going experience, how it affects them and how to help students going forward.

They also discussed the major concerns of online learning, that not everyone can afford a smartphone/laptop/ computer and these gadgets are necessary for one to learn online. The session ended with the panelists agreeing to both the teachers and students getting affected by online lectures regardless of their socio economic statuses. The panelists also gave some real solutions like understanding, self discipline, respecting the efforts put in and just giving it time.

After the discussion, a very relatable video was presented named "Teaching in Pandemic", which was made by BAMMC students Pragati Tiwari and Madhav Tiwari.

Judge for the event, Mr. Ranajit Tendolkar gave his inputs on the topic and announced the winners of the Y-Talk. The first best speaker was Mr. Rathin Sawant from TYBMS followed by Mr. Saad Ansari from SYBAAMC at second place and the third place was shared by Mr. Aditya Tanna from FYBAMMC and Mr. Abhishek Dubey from SYBAMMC.

The session ended successfully with a vote of thanks given by the Studio President Ms. Hrithika Prakesh Shetty.

More than 50 students attended the event.

Feedback : Students enjoyed the session. They have given suggestions on topics for the next Y Talk.

Suggestions:

- Regarding the sudden death of an actor, we can talk about how important is your mental health and it is so important for us to talk about it. They should be heard. Mental health is important.
- Topic should be more debatable and current
- We can talk about mental health, LGBTQIA+ community.
- The topic was something we've spoken about a lot hence the rating but the moderator, panelists and the audience made it an interesting discussion nonetheless, so cheers :)
- Anything to motivate students.
- Lessen the scope of the topic so the discussion doesn't stretch out for hours, xD
- Mental health
- No suggestion needed , was good
- More Often
- LGBTQ issues
- Economic crisis in our country.

Feedback

- Lovely !
- This session was really good as this was about an on-going situation. Really great
- The topic was good
- Noicee

-Thinking

-Was good and helpful

--It was indeed a great event

-It was so good

-IT WAS A GREAT EVENT . MANY LOGICAL ANSWER WERE GIVEN BY BOTH TEACHERS AND STUDENTS

Analysis.

The overall feedback has been very positive and the students really liked the session as it was very helpful for each one of them. Majority of the students want more such sessions as they are very informative.
